PSAP Representative: Maggie Petersen Telephone #: 435-615-5524

e-mail: wayne@sanpetecounty-ut.gov

Population: 7,000

Average number of 911 calls received each day: 8

Number of Positions: 3 1 Full time, 1 part time, 1 EOC

Current 911 service:

☒ Basic ☐ E911 ☐ Phase I ☐ Phase II

Dates of Project: Begin: ~November 10, 2007 Complete: November 15, 2007

#### Purpose of the Grant:

[Deleted:](#)

The Purpose of this grant request is to complete the process to become Enhanced and Phase II compliant. Park City Police Department is requesting \$13,000.00 for one (1) year 911 Network Services. This will include monthly charges from Qwest for 2 CAMA Trunks, 1 Ali circuit and 30 W format for wireless calls.

Current 911 Revenue: \$0.00

Current 911 Fund Balance: \$0.00

Expenditures:

Equipment lease/purchase: Upgrade to VESTA Pallas

Equipment maintenance:

Network and Data Base: (if multiple companies, list each separately by name and amount.)

Telephone company 1: Qwest

Telephone company 2:

Telephone company 3:

Data Base Administration: Qwest/INtrado

Other:

Why are additional funds required: Park City is a secondary PSAP, taking calls from Summit County for Park City Police Dispatch. Park City does not receive any 911 funding from the current surcharges on all phone lines and is asking for this funding to assist Park City Police Department Dispatch Center in becoming a fully Enhanced and Phase II compliant dispatch center.
